

## Alpha Ori Unveils Mobile App for SMARTShip®

Alpha Ori Technologies (AOT), the leading provider of maritime digital solutions unveiled its new mobile application SMARTShip GO. The mobile app, SMARTShip GO compliments the SMARTShip portal and provides the vessel's commercial, technical and navigation information at fingertips. The objective of the app is to provide relevant vessel information to SMARTShip customers on the Go.

**With SMARTShip GO, the existing SMARTShip customers can :**

- Virtually visit a ship in his/her fleet
- Visualize ship's operational parameters and performance data in real-time
- Get SMARTNotification on the app for critical alerts
- Track vessel fuel efficiency and carbon emissions
